

## FIRE SAFETY POLICY STATEMENT

At Yu! Mac we are committed to the health and safety of our staff and members.  
In relation to fire safety we have:

- carried out a fire risk assessment of the premises and will review this regularly
- put in place relevant safety measures which will be maintained and reviewed regularly
- devised a fire plan and emergency evacuation procedure and will ensure all staff understand their roles within this plan through inductions and appropriate training.
- a procedure in place so that regular checks of escape routes, alarms, fire extinguishers and any other emergency equipment can be checked for functionality and maintenance.
